Table with multiple columns and rows. The text is extremely faint and illegible due to low resolution. It appears to be a data table or list.

Table with approximately 100 columns and 1000 rows. The content is extremely dense and appears to be a data dump or a highly detailed report, possibly containing financial or technical information. The text is too small to be legible in this format.

The image contains a highly dense and low-contrast table. The text within the table is illegible due to its small size and the high density of characters. It appears to be a multi-column data table with many rows of entries.

Table with multiple columns and rows, containing dense data or text, possibly a spreadsheet or ledger. The content is illegible due to extreme resolution and blurriness. The table structure is not discernible.

Table with multiple columns and rows, containing text and numbers. The content is mostly illegible due to extreme resolution and blurring. The table appears to have several columns, with the first column possibly representing an index or ID, and subsequent columns containing descriptive text or data values. The rows are densely packed, suggesting a large volume of data.

Table with multiple columns containing text, likely a list of items or data points. The text is extremely small and difficult to read. The table appears to have several columns, with the first column possibly containing IDs or codes, and subsequent columns containing descriptive text or values. The text is repeated in a dense, vertical format.

Year	Country	Population	GDP	GDP per capita
1999	Guatemala	8,173,150	8,173,150	1,000

Table with multiple columns and rows of text, possibly a list or index, located on the left side of the page. The text is dense and appears to be a series of entries or a detailed list.

Table with multiple columns and rows containing text, likely a list or index. The content is dense and appears to be a structured data table with various fields.

A dense grid of small text elements, likely a list or table of contents, arranged in vertical columns. The text is too small to be legible but appears to contain names and dates.

Year	Country	Population	GDP	Life expectancy	Urban population	Employment	Healthcare expenditure	Literacy rate	Internet access	Other indicators
